Each Nomination Form must be accompanied by a Profile Sheet which is completed by the Nominee, this is to assist members in the voting process.

The person nominated by the proposer and seconder must be a current paid up member of the IASE. Each member may nominate (propose or second) as many individuals as they wish for the IASE Committee.¹

Please note that the IASE wishes the Committee to be representative of all interested parties in Supported Employment and to be geographically representative.

The work of the individual Committee Members of the IASE continues to grow each year. Elected committee Members are expected to become a Director of the Company (IASE) taking responsibility for the corporate governance of the organisation, attending regular committee and sub committee meetings and undertaken work required to promote and develop IASE.

Because there are many occasions when personal time is used in undertaking the work, individuals putting their names forward should take cognisance of this. For individuals working in Supported Employment it is important that they have the support of their Organisation.

Please return Nomination Forms with Profile Sheets attached to:
